

Dear Speakers.

We would like to publish

‘Proceedings of Tsukuba Workshop on Infinite Dimensional Lie Theory and Related Topics – History and Development – October 20th~23rd, 2014, University of Tsukuba, Ibaraki, Japan’,

as a special issue

dedicated to Professor Jun Morita on the occasion of his 60th birthday
of

Toyama Mathematical Journal,
<http://www.sci.u-toyama.ac.jp/math/tmj/index.html>.

Articles for this publication will include

- original paper,
- announcement,
- résumé,
- survey article.

Please send a manuscript with a form of Toyama Mathematical Journal (see <http://www.sci.u-toyama.ac.jp/math/tmj/index.html>)
to Hiroyuki Yamane (hiroyuki@sci.u-toyama.ac.jp)

until March 31, 2015.

Manuscripts will be refereed. The number of pages of each article will *not* be so huge.

Best Regards

Editors:
Hiroyuki Yamane (University of Toyama),
Akira Masuoka (University of Tsukuba),
Masaya Tomie (Morioka University),
Yoji Yoshii (Iwate University)
